Trying to sell or let your property?  
Don't know why it isn't moving?  
Need someone to look at it with a fresh pair of eyes?  
Need to furnish an empty property or de-clutter a full one?

**Vendors** – appeal to the widest number of buyers and maximise your sale price  
**Landlords** – reduce void periods and improve your rental income

Combining lessons learned from our extensive experience of viewing properties on behalf of potential buyers/tenants and presenting them effectively for sale or rent, The County Homesearch Company, in conjunction with CB Interiors, is pleased to offer vendors and landlords in the Cheshire area the opportunity for a free home styling consultation.

“A vendor with a nice but rather ordinary bungalow commissioned a home styling to make the property more appealing and to help achieve a faster sale at the highest possible price. The whole property was transformed by Chris and her team in a matter of days. This made a huge difference to the response received from viewers and a sale close to the full asking price was secured within a few weeks of the property going onto the market”
